

HR AND TALENT FOR STARTUPS YOU FOCUS ON THE BIG PICTURE. WE'LL HANDLE THE DETAILS.

CHALLENGE

Product development & delivery need to be your primary areas of focus, and time spent elsewhere is time lost. While HR and Recruitment will be critical to your success, you can't let yourself become tied-up with these time-intensive tasks.

HR AS A SERVICE

CCS's HR team delivers:

- Core documents and policies
- Critical systems and processes
- On-call support for HR needs and issues
- On-premise and/or live help with manager training, interviewing, terminations, etc.

TALENT AS A SERVICE

CCS's Talent team delivers:

- Expert input into your growth plans
- A customized talent acquisition plan
- Execution of talent programs
- 1-on-1 team-building, planning, and support for managers and leadership

Our custom-built engagements provide as much or as little support as you need. Save time, improve retention, and reduce legal exposure while getting the talent you need to succeed.
