

HIRING IN CANADA

ACCESSING CANADIAN TALENT IS YOUR COMPETITIVE ADVANTAGE

! CHALLENGE

Access to good tech workers is crucial to your growth plans, but the US tech labour market is more competitive than it's ever been. How do you build a high-quality and highly connected team without breaking the bank?

WHY CANADA?

Canada stands out in terms of quality and affordability. With a highly-educated and multi-lingual workforce, Canadian cities are global innovation-hubs for emerging tech like AI and Genomics.

CCS's Turn-Key Services:

CCS not only helps you identify and hire the talent you're looking for, we'll also help ensure that your employment & contract terms and total comp are appropriate for the market, and we'll be on-call and/or on-premise to help with any and all local HR needs.
